2706 Frankford Ave Apt. #3 - Lubbock, TX 79407 - 806-928-9738 - randy.orr@gmail.com

---

## Education

Bachelor of Science in Computer Science, 2002  
Texas Tech University, Lubbock, TX

## Work Experience

Technology Support - Texas Tech University

**Lead Server Support**, Oct. 2005 - February 2007

As a system administrator I split my time between running SMS 2003 and working closely with our web development group to deploy and maintain their applications.

- Manage .Net, IIS, SQL Server environment
- Maintain development tools: SVN, CVS, wiki, bugtracking, etc
- Design and manage SMS 2003 environment
- Implement patch management strategy via SMS 2003

Technology Support - Texas Tech University

**Senior PC / Network Support Specialist**, Sept. 2002 - Oct. 2005

I managed 250+ lab machines for the general purpose computing labs at Texas Tech University.

- Administration of Win2k/Slackware linux servers
- Design and implementation of lab management project
- Design and implementation of Print management project

Technology Support - Texas Tech University

**Technician IV**, May 2001 - Sept. 2002

- Hardware and software maintenance for computer labs
- Purchasing recommendations
- Management of student technicians
- Deployment of Symantec Ghost images
